John:

I only received one copy of the docs related to Pineview. Rather than hold this process up, I sent the single copy to you today via overnight, and will get a second copy to you later in the week. Please forward the first copy to your contractor so they can get started on the review. Thanks, Aaron

John:

I submitted documents related to the engineering at Pineview Estates to our copy-center.....copies should be ready early next week. I'm making you two (2) sets, one for you and one for your contractor. Q: Do you want me to send both sets to you, or one to you and one directly to your contractor? If the latter, I'll need the contact info for your contractor. Thanks, Aaron
